

UNDERSTANDING YOUR BILL

1. Account Number

Identifier for your account at Access Energy Cooperative.

2. Billing Date

Date bill is processed.

3. Due Date

Date your payment for current charges is due in our office.

4. After Due Date Pay

Amount due after the due date. Once each calendar year, members may receive one late payment charge forgiveness.

5. Messages

Check this section for important information.

6. Location Number

Identifier for your service location.

7. Rate Code

Determined by the tariff based on your service equipment.

8. Service Address

Physical address of your service location.

9. Meter Number

Serial number on the face of your meter.

10. Meter Multiplier

Determined by the type of meter installed.

11. Meter Reading Dates

The day the meter was read.

12. Readings From Meter

Meter reading at the beginning and end of the billing cycle.

13. Total Energy Used

The kWh multiplied by the multiplier.

14. Demand

Highest kW in a 15-minute period in the billing cycle.

15. Demand Time Stamp

Date and time demand was set.

16. Demand

Demand multiplied by the multiplier.

17. Energy Used Graph

More information can be found on your SmartHub account.

18. Base Charge

Fixed charge associated with metering, equipment, and administrative costs to provide service to your location.

19. Energy Charge

Amount of kWhs used multiplied by the current rate.

20. Demand Charge

Amount of demand multiplied by current rate.

21. Area Light Charge

If you have any area lights that you lease from us, the current lease charge is listed here.

22. Current Charges This Service

Amount due for this billing cycle for this service.

23. Days

Number of days in billing cycle.

24. kWh/Day

Average number of kWhs used per day in the current billing cycle.

25. Cost/Day

Average cost per day for current billing cycle for this account.

26. Past Due Balance

For members who have a previous balance due, the amount and due date will print here. NOTE: due dates for past due amounts are different than due dates for current charges.

27. RECare Contribution

Voluntary program to help pay bills for other members in financial need.

Save the date! The 2026 annual meeting is Aug 4th and Jake McVey is back this year! Farmers - during this planting season be aware of your surroundings and where power equipment is located. Even small gardeners need to call 8-1-1 before digging in your yard. Visit accessenergycoop.com for more spring safety reminders.
